

Read the text and answer the questions below.

There are about 7.6 billion people in the world living in 195 countries. 54 countries are in Africa, 48 are in Asia, 44 are in Europe, 33 in South America, 2 in North America and 14 in Australia. There are about 6,909 languages spoken across these countries, with Chinese, Spanish, English, Hindi and Arabic being the top five most spoken languages in the world. Each country has its own flag to represent it. The different colours and patterns can show the beliefs, traditions and culture of a country. The colours on the UAE flag all have a meaning; white for peace and honesty, red for bravery, strength and courage, green for hope, joy, love and black for strength of mind.

- How many countries are there in the world?
- How many countries are there in the Americas?
- What are the most spoken languages in the world?
- What is a flag used for?
- What does the colour red mean in the UAE flag?
