Emma shared her camping experience, but the pictures were mixed up. Drag and drop each picture into the correct box based on the chronological order of the story you listened to. Then, drag and match each event description with its corresponding picture.

Emma and her classmates joined a two-day camping trip at Mount Merapi National Park.

They hiked through the forest, cooked lunch together, and learned how to build a tent.

That night, they sat around the campfire, sang songs, and shared funny stories.

The next morning, Emma and her friends explored a small trail, laughed together, and took many pictures.

Emma realized that her backpack was missing. Her friends helped her search the campsite, but they couldn't find it anywhere.

Just when Emma was about to give up, she noticed something unusual moving behind a large bush...
