My Birthday

My name is Maya. My birthday is in August. It is the eighth month of the year. On my birthday, my mother cooks many foods. She makes fried chicken, a plate of rice, and a bowl of soup. She also buys a big cake and two bottles of milk. My favourite colour is yellow, so the cake is yellow. I like my birthday very much.

5. When is Maya's birthday?
A. In the seventh month
B. In the eighth month
C. In the ninth month
D. In the sixth month
6. How many bottles of milk does Maya's mother buy?
A. One bottle
B. Two bottles
C. Three bottles
D. Four bottles
7. Which one is an uncountable noun from the text?
A. Cake
B. Bottle
C. Soup
D. Chicken
8. Why is the cake yellow?
A. Because Maya's mother likes yellow
B. Because yellow is Maya's favourite colour

- C. Because the cake is made from yellow ingredients
 - D. Because Maya's birthday is in August
9. Compare the two texts "My New Friend" and "My Birthday". What do Dina and Maya have in common?
- A. Both are twelve years old.
 - B. Both like yellow.
 - C. Both have birthdays in August.
 - D. Both like fried rice.

- A. 03.60
B. 04.00
C. 04.15
D. 04.30
22. Based on the text "At the School Canteen", what can we infer about Rudi and Bayu's eating and drinking habits?
- A. Rudi likes sweet drinks, but Bayu doesn't.
B. Rudi doesn't like spicy food, while Bayu doesn't like sweet drinks.
C. Both Rudi and Bayu like fried rice and water.
D. Bayu is hungry and thirsty, but Rudi is only thirsty.
23. Sarah is introducing her new classmate, Maya, to her friend,

Lisa. Sarah says:

"Lisa, this is Maya. She just moved here from Surabaya. Maya, this is Lisa, my best friend since elementary school."

After the introduction, Lisa immediately says, "Hi Maya, nice to meet you," and then walks away without asking Maya anything.

Based on the situation, what is the most appropriate evaluation of Lisa's response?

A. Lisa's response is perfect because she greeted Maya politely.
B. Lisa's response is inappropriate because she should have introduced herself first before Sarah did.

C. Lisa's response is less than ideal because after an introduction, she should engage in a short conversation to make Maya feel welcomed.

D. Lisa's response is wrong because she should have shaken hands and asked for Maya's phone number.

24. Two students are practicing how to introduce others.

Dina says: "Rina, I'd like you to meet my brother, Bima. Bima, this is Rina, my classmate."

Sari says: "Rina, this is Bima. Bima, this is Rina. Okay, done. Now you two talk."

Which statement best evaluates the two introductions?

A. Both Dina and Sari gave good introductions because they mentioned both names.

B. Dina's introduction is better because she provided context

about who each person is, while Sari's introduction was too abrupt and lacked warmth.

C. Sari's introduction is better because it is shorter and more efficient.

D. Both introductions are wrong because introductions should only be done by a teacher.

25. Based on all the texts, which statement is TRUE?

A. Sari likes durian and pink.

B. Bayu likes sweet drinks and tea.

C. Maya's mother buys two bottles of milk.

D. Rudi buys a bottle of water and fried rice.
