

Down the drain!

A team of firefighters were surprised when they found a teenage girl stuck in a drain.

Ella Birchenough ¹..... talking to someone on her smartphone in the street. After her call, she tried to put it in her pocket but missed and it ²..... down the drain. Then Ella ³..... a silly decision.

She took off the drain cover and jumped into the hole to get her phone back. The only problem was ... she couldn't get out again! ⁴..... Ella was sitting in the hole, more and more people turned up. Some of them even ⁵..... photos when they were ⁶..... for the firefighters to arrive.

When Ella's mum arrived, they both laughed about the situation. Eventually, the firefighters came. Ella said, 'When they ⁷..... me out, I ran straight home and jumped in the bath!'
