

WRITING

Read the story about Chris and his jacket on page 124. Find and underline these words in the story: *after that*, *after (two weeks)*, *(six days) later* and *finally*.

Well, I found a great jacket on the internet. It was black and it had a really cool design on the back. You can't pay in cash of course, so my mum paid for it with her credit card. After that, we waited and waited but it didn't come. After two weeks I emailed the company, but they didn't answer. Then, six days later, it finally arrived. But the jacket was the wrong size. It was too small and it was blue. I returned it and asked them to send me the right one, but they emailed me to say they didn't have one in my size in black. And my mum is still waiting for them to return her money.

- 1 Read the text about a day out in a shopping centre. What did the family buy?

Last Sunday I went to a shopping centre near my house. I went with my mother, my father and my sister. We arrived at 10 o'clock. First, I went with my sister and my parents to look at clothes. It was my sister's birthday and we bought her a new jacket. It only cost £15 because there was a sale. For lunch we went to an Italian restaurant and ate pizza. After that, my parents wanted to go to the supermarket, but my sister and I didn't, so we went to the music shop. There were a few good albums but we didn't buy any. Then, we all went to the cinema to see a film. Finally, at 7 o'clock we went home for dinner. It was a great day out!
