Shopping

Shopping is an important part of people's lives. People often want to buy different things at good prices. In English-speaking countries, these types of shops are popular:

- ★ **Charity shops:** People give these shops clothes, books and other things they don't use or want anymore. These shops then sell these things to other people. Charity shops give the money they make to help others.
- ★ **Farmers' markets:** In these markets, farmers sell fruit, vegetables, cheese, honey and other local items.
- ★ **Shopping centres:** These are big, modern buildings with lots of shops and places to eat. In the United States, shopping centres are called 'malls'.

PROJECT

A survey

In small groups, prepare and carry out a shopping survey.

- Think of five–six questions for your shopping survey.
Ask questions about:
 - Where people shop
 - Why they shop there
 - When they shop
 - What they buy
- Write down the shopping survey questions.
- Compare your questions with another group's questions.
- Ask members of a different group your questions and record the results.
- After school, ask two friends in another class or family members about where they shop.
- Tell the class what you found out.
