- D. The river is very small.

5. What is NOT mentioned as an activity at the Grand Canyon?

- A. Taking photographs
- B. Hiking
- C. Exploring by boat
- D. Swimming in the ocean

READING 3: The Sahara Desert

The Sahara is the largest hot desert in the world. It covers a large part of North Africa and stretches across several countries. The desert is famous for its huge sand dunes, dry land, and extremely hot weather during the day. However, temperatures can become very low at night.

Although the Sahara looks empty, many plants and animals live there. Camels are especially important because they can travel long distances without drinking much water. Some tourists visit the Sahara to explore the desert, ride camels, and enjoy the beautiful sunset. However, visitors should travel with an experienced guide because it is easy to be lost in such a large area.

Questions

1. What is the Sahara?

- A. The largest hot desert in the world B. The largest forest in Africa
C. A large island D. A high mountain

2. What is the Sahara famous for?

- A. Heavy snow B. Huge sand dunes
C. Large rivers D. Green forests

3. Why are camels important in the Sahara?

- A. They can fly. B. They can travel long distances with little water.
C. They live in the sea. D. They eat only fruit.

4. Why should tourists travel with a guide?

- A. The desert is very cold. B. It is easy to be lost.
C. There are too many roads. D. The desert is very small.

5. What can tourists do in the Sahara?

- A. Ride camels B. Go skiing
C. Explore underwater caves D. Go fishing in the ocean

READING 4: Phong Nha-Ke Bang}

Phong Nha-Ke Bang National Park is a famous natural attraction in Vietnam. It is located in Quang Binh Province and is well known for its beautiful mountains, forests, rivers, and caves. The area has many amazing caves, including Son Doong, one of the largest known caves in the world.

Visitors can explore some caves by boat or on foot. They can also walk through the forest and enjoy the peaceful natural scenery. Because the caves and forests are important natural environments, tourists should follow the instructions of their guides and avoid leaving rubbish behind.

Phong Nha-Ke Bang is an attractive destination for people who love nature and adventure. Its impressive landscapes make it a special place for both Vietnamese and international visitors.

Questions

1. Where is Phong Nha-Ke Bang National Park?

- A. Quang Tri Province B. Quang Ninh Province
