INCIDENT BRIEFING - SECTOR BRAVO

Brigade 4 is on site in Sector Bravo. There are ten firefighters in the crew. They wear high-visibility yellow Nomex jackets, hard hats, and heavy safety boots. The crew has two chainsaws, three Pulaski axes, and two drip torches. The fire is near a pine plantation. The firefighters need a water tanker (pumper truck) because there is a large spot fire near the access road. This situation is critical, and those firefighters on the ridge require air support immediately.

a) How many firefighters are there in Brigade 4?

Answer: _____

b) What gear and PPE do the firefighters wear?

Answer: _____

c) What tools does the crew have?

Answer: _____

d) Why does the crew need a water tanker?

Answer: _____

e) What do the firefighters on the ridge require immediately?

Answer: _____
