Jobs Around My Town

Hello! My name is Sofia. I live in a small town near the mountains. In my town, people do many different jobs. Look at my neighbor, Mr. Carlos. He is a farmer. He works on a farm. He grows coffee and plantains. He is very important because he gives food to the community.

Next to my house, there is a restaurant. My aunt, Mrs. Elena, is a cook. She works in the restaurant. She makes delicious fish and rice. She says, "I love my job because I meet people from different places."

My cousin, Luis, is a fisher. He works near the sea. He catches fish every morning and sells them at the market.

In my town, we also have a school. My mother is a teacher. She is a teacher at the school. She teaches English to children.

There is a mechanic in my town, too. His name is Pedro. He works in a workshop. He fixes cars and motorcycles.

Finally, there is a shopkeeper named Ana. She works at the market. She sells fruits and vegetables. And my uncle, Jorge, is an artisan. He makes beautiful bags and hats. He works in a small workshop.

My town is special because everyone works together. The farmer, the fisher, the cook, the teacher, the mechanic, the shopkeeper, and the artisan all help the community.
