A DAY AT THE ZOO

Today, I am at the **(0)** ZOO with my family.

First, we see a very tall **(1)** _____.
It is standing next to a tree.

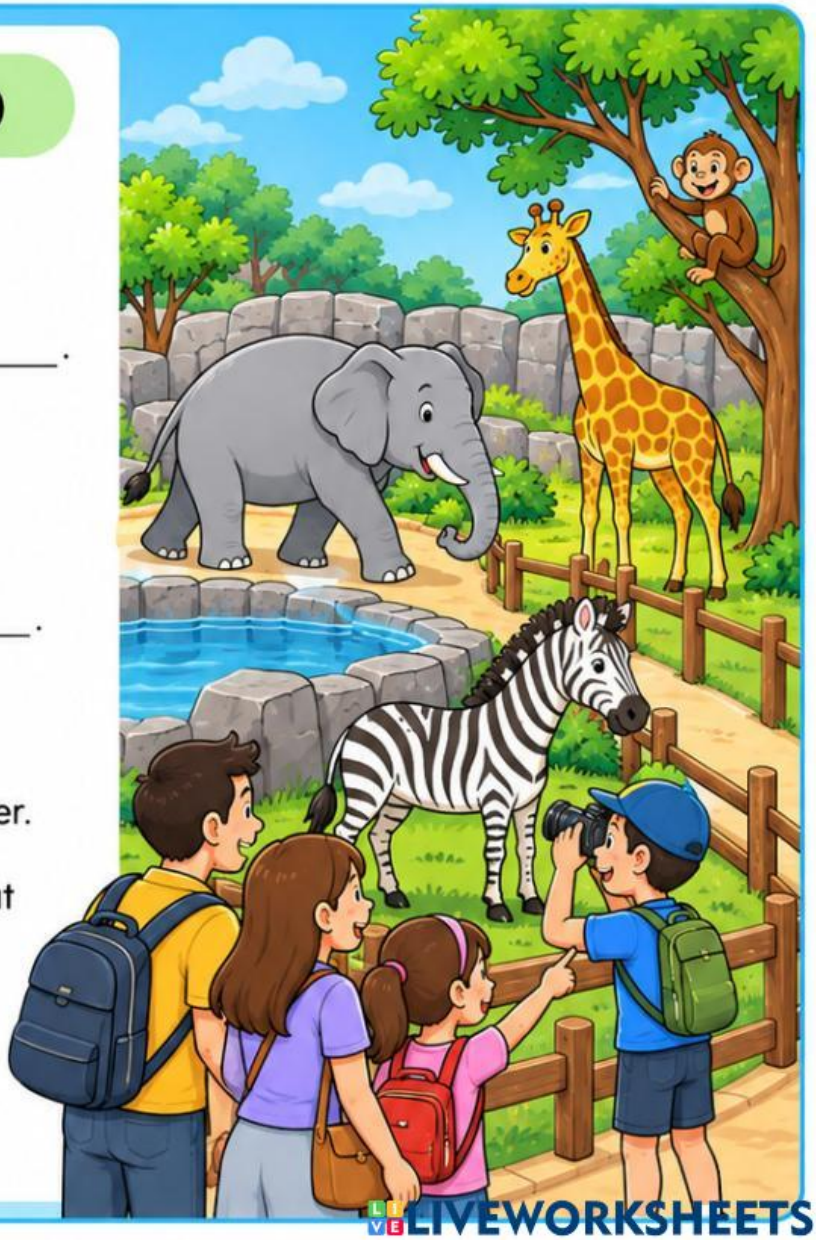

Then we see a **(2)** _____.
It is climbing a tree.

My brother has got a **(3)** _____.
He takes photos of the animals.

We also see an **(4)** _____.
It is big and it is walking near the water.

At twelve o'clock, we sit down and eat our **(5)** _____.

I love the animals!
