

Put the given words to where it is related.

- hot, cold, warm, windy, winter, summer,

Weather	Climate

Compare and Contrast. Use the information from the box and to complete the Venn Diagram for weather and climate.

- | | | |
|--------------------|-----------------------|----------------|
| 1. shorter time | 2. longer time | 3. temperature |
| 4. in one place | 5. over a large area | |
| 6. changes quickly | 7. change very slowly | |

Use the weather forecast for the week to answer the questions below. Write your answer on the line.

1. Which day will be the warmest?

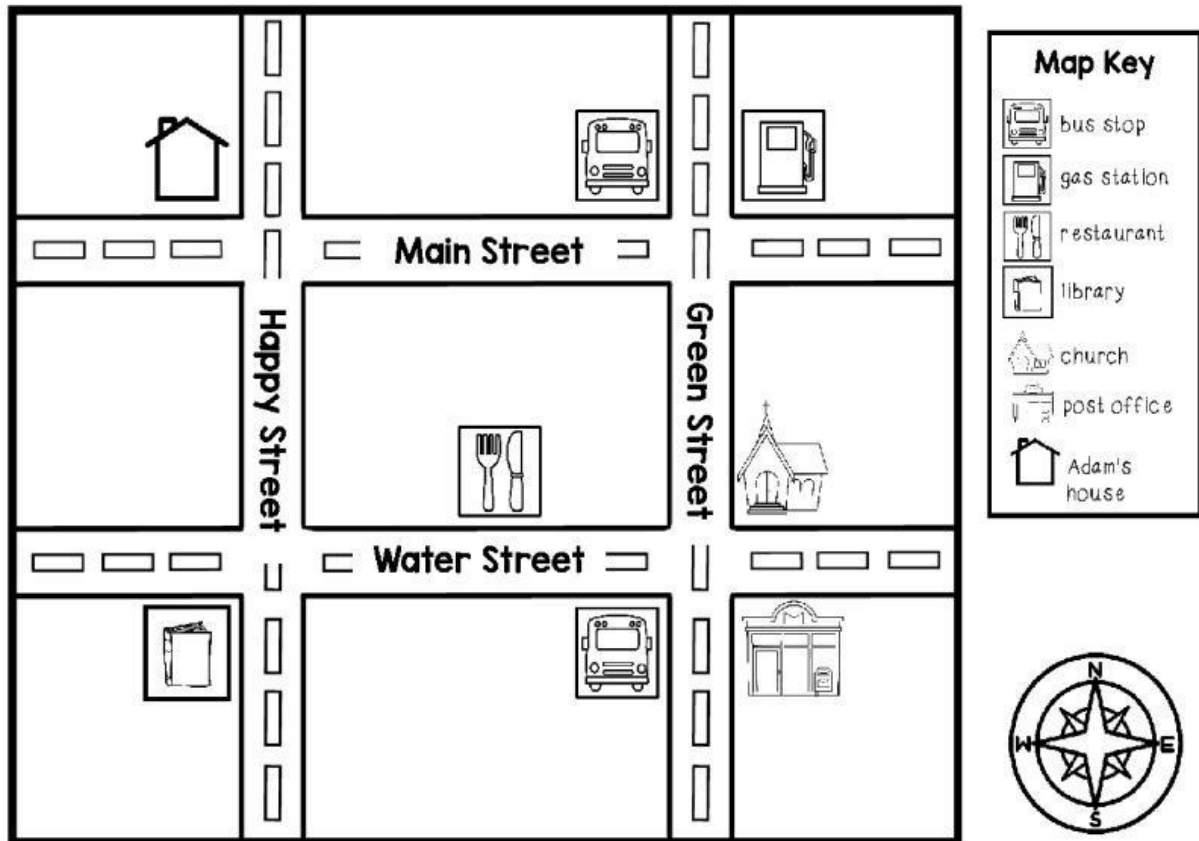

2. Which day will be the coldest?

3. What will be the temperature on Monday?

4. What will be the weather like on Wednesday?

5. On which day will you need an umbrella when you go out?

Look at the map given. Write your answer on the given line.

1. What is in the north of the church?

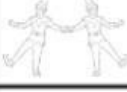

2. What is in the south of the bus stop?

3. What is in the west of the bus stop?

4. What is in the east of the restaurant?

5. What is in the west of the gas station?

Look at the Christmas Map. Use the map to answer the questions below. Write your answer on the line.

Follow the instructions below using the compass. Which item do you arrive at?						
		bells 			presents 	
lights 		reindeer 		yule log 		
	snowflakes 		elves 			sledding 
tree 				Santa 		
	hot cocoa 				stocking 	
sleigh bells 		sleigh 				hat 
poinsettia 		fireplace 	Start 		snowman 	

1. From reindeer, go southwest 2 squares and go southeast 2 squares. Where are you? _____
2. You are feeling a bit cold from sledding outside and you want to go the fireplace to warm yourself. Which direction will you go? _____
3. After warming up from the fireplace, you would like to have some hot cocoa. Which direction will you go? _____
4. After drinking hot cocoa, you want to decorate the Christmas trees and start collecting things. Go north 4 squares, southwest 1 square. What do you get? _____
5. Santa is coming after getting ready. How does he get ready? Go northwest 2 squares, go south 4 squares, go northwest 2 squares. Where is Santa now? _____

Compare and Contrast. Read the passage below. Look for ways in which farms and forests are alike and different. Use the information from the box and to complete the Venn Diagram.

“Farms and forests are in rural areas. They are far from the city. Farms need large fields for raising plants and animals. Forests needs open space for many trees to grow. Trees grow in forests.”

- | | | |
|----------------------|-------------------------|----------|
| 1. large fields | 2. rural area | 3. trees |
| 4. animals | 5. space for many trees | |
| 6. far from the city | | |
