- 07▶** You are going to listen to a radio interview with a student called Anna, who has recently taken part in a summer cultural exchange programme. First, look at the example question and the answer options, and read the Bullet Box. Then, listen to Part 1 of the interview.

Why did Anna decide to go on a language exchange programme in Spain?

- A She is good at sports.
- B She studies Spanish and not French.
- C She wanted to go somewhere new.

Answer: C

In some Listening exam tasks, you may be asked to listen to an interview. In these tasks, you should:

- identify the key words in the question or statement.
- identify key words in the three multiple-choice options. You may hear all the key words but only one answers the question or completes the statement.
- remember that you may also not hear the exact words that you see in the question or options.

- 08▶** Read Part 1 of the interview and the highlighted parts. In pairs, discuss why C is the correct answer in Exercise 7.

Well, students can travel to France or Spain on a language exchange, or to the USA on a sports or music exchange. I didn't go to the USA because I'm not very good at sports. However, I study French and Spanish at school, so I had two options. I've been to France before, so I decided to go to Spain instead.

Listen to Part 2 of the radio interview and answer the questions. For each question, choose the correct answer, A, B or C.

- 1 Where did Anna's host family live?
A in an apartment
B in a house
C on a farm
- 2 How long did Anna stay with her host family?
A two weeks
B three weeks
C four weeks
- 3 How old do students have to be to take part in the language exchange programme?
A 13
B over 14
C 16
- 4 Students can go on the language exchange programme if
A they are 16 or over and their parents allow them.
B they study a language like French or Spanish at school.
C they play in a school sports team or in the school orchestra.
