

Задание: Complete the DIY blog post

Заполни пропуски словами и фразами из рамки. Одно слово/фраза — один пропуск.

Word box:

to play out, vested interest, to grasp, marvel, contention, to squander, ruthlessly, to have a go, from the waist up, output, disembodied, to writhe, predicated on the idea, benignly, engulfed, protracted, shaft, epiphany, to fidget, to mine, commodity, to avert, human ecology

Last month I decided _____ at building a bookshelf from old wood. My _____ is that DIY is the best way to learn practical skills. The whole project was _____ that careful planning saves time. _____, I measured every board twice. I didn't want _____ materials. I worked _____, cutting and sanding without stopping. At first, I couldn't _____ how the pieces would fit together. I had a _____ in getting it right because it was for my room. The _____ was a sturdy shelf, but the process was a _____ one. I had to _____ through piles of scrap wood to find the right pieces. The _____ of my screwdriver broke, and I started _____ with frustration. I even began _____ on the floor when a shelf collapsed. But then I had an _____: I needed to use brackets. The workshop was _____ in sawdust. My friend _____ suggested I wear a mask. I learned _____ mistakes by checking my measurements. Now I see my bookshelf as a _____ of DIY. I don't feel like a _____ mind; I use my whole body. DIY is also good for _____ because it recycles materials. I believe this hobby has a big role _____ in my life. And I no longer see wood as just a _____ to buy and sell.

Answer key

1. to have a go
