

I Stayed Home All Weekend

I stayed home all weekend
because I was sick.

On Saturday morning, I woke up
and had a big breakfast.

Then I watched movies and
ate popcorn.

In the afternoon, I took a nap
and listened to music.

Later in the day, I cleaned my room
and did some laundry.

In the evening,
I ate dinner and relaxed.

I stayed home all weekend,
and I really enjoyed it!
