Part 1: Listening Gap-Fill

Instructions: Listen to the song twice. Complete the missing words in the lyrics with the words you hear. Write your answers on the Answer Sheet below.

Schoolbag in hand, she leaves home in the early morning
Waving goodbye with an smile
I watch her go with a of that well-known
And I have to sit down for a while

The feeling that I'm losing her
And without really entering her world
I'm glad whenever I can her
That funny little girl

..... through my fingers all the time
I try to every minute
The feeling in it

..... through my fingers all the time
Do I really see what's in her mind?
Each time I think I'm close to knowing
She keeps on growing
..... through my fingers all the time

Sleep in our eyes, her and me at the breakfast table
..... awake, I let time go by
Then when she's gone, there's that melancholy feeling
And a sense of I can't

What happened to the adventures
The places I had planned for us to go? (..... through my fingers all the time)
Well, some of that we did, but most we didn't
And why, I just don't know

..... through my fingers all the time
 I try to every minute
 The feeling in it
 through my fingers all the time
 Do I really see what's in her mind?
 Each time I think I'm close to knowing
 She keeps on growing
 through my fingers all the time

 Sometimes, I wish that I could the picture
 And save it from the funny tricks of time
 through my fingers

 through my fingers all the time
 Schoolbag in hand, she leaves home in the early morning
 Waving goodbye with an smile
