

❄️ LAST DECEMBER ❄️

I'm Daniel. Last December, I went to Canada with my family. We didn't go by car. We flew there. It was a long flight, and I slept for six hours! There were five of us: me, my parents, my brother Max and my grandmother.

We stayed in a small hotel in Vancouver for four days. On the first day, we visited Stanley Park and walked by the sea. We took a lot of photos. Max wanted to see the mountains, so on the third day we took a bus to Whistler. It snowed all day and it was very cold, but we had a great time. I tried skiing for the first time and I fell down ten times! My grandmother didn't ski because she was afraid, so she drank hot chocolate at a café and watched us.

In the evening, we ate pizza at a restaurant. The food was delicious, but Max didn't like his soup. On the last day, we bought souvenirs for our friends and met a very friendly family from Australia. We didn't want to go home!
