## The Success Story of Post-it Notes

## Choose the best option A, B, C or D.

Sticky notes are faithful friends, giving us a reminder about groceries we want to buy, tasks we need to do at the office, and homework we can't forget about. With so much use, these tiny pieces of yellow paper were invented totally by accident!

Today, we see the Post-it Note peppered across files, computers, de	esks, and doors
in offices and homes throughout the country. So what exactly is the	e secret of their
fantastic commercial 1?
