READING

I. Read the following passage and decide whether the following statements are true (T) or false (F).

A HOUSE OF MY DREAM

I always want to live in a big palace. It will be located in the forest. All of the rooms will be painted in pink and gold. There will be 15 bedrooms and 3 kitchens in the house: one for breakfast, one for lunch, and one for dinner. There will be smart TVs in all rooms, even in the bathrooms, so I can watch international

programmes at any time. I will go to school by aeroplane because we will have an airport in the backyard. There will be a beautiful garden in front of the house and we will have smart robots to take care of the flowers.

1. Her dream palace will be far from the forest.
A. True B. False
2. There will be 15 bedrooms in the palace.
A. True B. False
3. There won't be any TVs in the kitchens.
A. True B. False
4. She will go to school by ship.
A. True B. False
5. The robots will do the gardening.
A. True B. False

II. Read the following passage and choose the correct word or phrase given in the box to fill in each of the numbered blanks. There is ONE extra word or phrase you do not need to use.

- | | | |
|--------------------|-----------------|------------|
| 1. A. care | B. recycle bins | C. charity |
| D. plastic bottles | E. water | F. rubbish |

Kids can help to protect the environment by recycling. Instead of throwing (1)..... away, they can separate it into different bins. For example, paper and plastic bottles can be placed in the (2)..... Old clothes that don't fit anymore can be donated to (3)..... Recycling these items helps reduce waste and conserve resources. For example, (4)....., when recycled, can be turned into new products instead of ending up in landfills or polluting water sources. By teaching children about recycling, we can instil into them a sense of responsibility and (5)..... for the planet. Every small action counts, and together we can make a positive impact on our environment and the water we drink.

WRITING

I. Write sentences, using the words and phrases given. Change the word forms or add NO MORE THAN FIVE WORDS, if necessary.

1. He / buy / new / pair / goggles / last week.
→
2. It / possible / we / won't / need / keys / enter / homes.
→

II. For each question, complete the second sentence so that it means the same as the first. Use the word in brackets and do not change it. Write NO MORE THAN FIVE WORDS.

1. Planting trees in the city is important to improve air quality. (IMPORTANCE)
→ trees in the city is to improve air quality.
2. Their city is one of the most expensive cities in the world. (THEIRS)
→ One of the most expensive cities in the world

III. Write a paragraph about how to make your school greener. Use between 40 and 60 words.

1. You should answer the following questions:
 - Are there any things you should do to make your school greener?
 - What are the solutions?
 - What is the most important thing?
 - What will happen if everyone follows your suggestions?
