

TRAVEL AND TRANSPORT

Let's discuss!

Do you enjoy travelling?

What transport can you travel by?

Vocabulary

Transport and travel

- 1 Work with a partner. What types of transport can you see in the photos? Put them in the correct column.

Land transport	Air transport	Water transport
motorbike		

- 2 Work with a partner. Add these words to the columns and any others you can think of. Compare lists with another pair and add any new words.

bike • coach • lorry • tram
underground/subway • van • yacht

30

Land transport	Air transport	Water transport
motorbike		

3 Complete the text with these words.

arrivals • cancel • catch • delay • departures • fare
luggage • miss • platform • return • single • ticket office

When you go to the station to (a) _____ a train, if you don't already have a ticket, you go and buy one at the (b) _____. You can buy a (c) _____ (if you're only going one way) or a (d) _____ (if you're coming back). The (e) _____ is more expensive when you travel first-class because it's more comfortable and you have more space. There isn't an extra cost for (f) _____ – you can take at least two or three big bags.

When you have your ticket, you need to find the (g) _____ where your train is leaving from. If you arrive late, you may (h) _____ your train. But sometimes there can be a (i) _____ and your train doesn't arrive on time. And sometimes there's no train at all because they (j) _____ it! It's important to keep looking at the information screens which show the (k) _____ (the times that trains are coming into the station) and the (l) _____ (the times that trains are leaving).
