Sheryl's Diary

I always have English and Maths on Monday mornings. After lunch, I often have Science and Art. I like Art because I can draw and paint pictures in art lessons. After school, I go shopping with my mum. We go shopping twice a week, usually on Tuesdays and Saturdays. My dad always works in his office on Mondays and Wednesdays. He sometimes cooks for the family on Friday evenings. My mum often cleans the house on Thursdays and always bakes cookies on Sundays. My little sister plays with her friends after school every day. I often do my homework in the evening and always read a book before bedtime. I feel happy when we all help each other during the week.
