SHOULD OR SHOULDN'T?
HALLOWEEN

Fill in the blanks with "should" or "shouldn't".

1. If you're going to a Halloween party, you _____ arrive on time.
2. You _____ leave a lit candle unattended because it could cause a fire.
3. If you want your costume to be convincing, you _____ pay attention to small details such as makeup and accessories.
4. Children _____ accept sweets from strangers.
5. If you're hosting a Halloween party, you _____ make sure there is enough food and water for all your guests.
6. You _____ wear a costume that makes it impossible to see clearly when you're crossing the street. It could be dangerous.
7. If you're planning to tell ghost stories around a campfire, you _____ choose stories that are appropriate for everyone who is listening.
8. People _____ forget to check whether their Halloween decorations are fire-resistant before using them indoors.
9. If you want to avoid wasting food, you _____ buy enormous quantities of sweets that nobody is likely to eat.
10. Guests _____ ask before taking photographs of people in elaborate costumes, especially if they don't know them.
