Reading practice. Read the email from Lucy to Maggie, and do the exercises.

Hi Maggie

How are you? Sorry I haven't written for a long time. I have been a bit busy because I need to plan a holiday, but I have a bit of a problem.

The problem is that it's my sister's 25th birthday next month and I want to do something special for her. I would really like to go on holiday abroad with her, but she often travels abroad for her work. So now she's bored with travelling and doesn't like staying in a hotel. I don't want her to stay at home for her important birthday, but I don't know what kind of holiday to plan. Do you have any ideas?

Write soon and tell me all your news.

Lucy
