1 Read the advert. Answer the questions.

Visit the Republic of Singapore

1

The Republic of Singapore is an island country in Southeast Asia. It isn't just one island; there are 63! Singapore's national language is Malay, but people also speak English, Chinese and Tamil.

2

Do you like history? Then you have to visit the National Museum of Singapore to learn about the country. Do you like nature? Then go to Jurong Bird Park and see lots of amazing birds. And don't forget to try Singapore's traditional food! *Laksa* is a noodle soup made with coconut milk. People also eat chicken rice and fish curry.

3 **Why visit?**

Singapore is a great country to visit. Whether you enjoy city life or nature, you can explore Singapore's mountains or have a fun day at the beach!
