LET'S MEET ... A DIVING INSTRUCTOR By Eli Jones

Today I'm talking to diving instructor, Francesca.

Welcome, Francesca. What do you do in your job?

Lots of people want to visit the Great Barrier Reef here in Australia and I teach them to dive! First, I teach them to dive in a swimming pool. Then we go out on a boat on the ocean.

Where did you grow up?

When I was a child, we lived by the ocean. I loved swimming and surfing.

Which is your favourite marine animal?

I love all marine animals, but sharks are my favourite.

What's happening in the Great Barrier Reef today?

Well, the sea is getting warmer and there's lots of plastic in the ocean. This is bad for marine animals and humans, so I also teach people how to take care of the ocean.
