

A NEW LIFE IN THE COUNTRYSIDE

For each question, write the correct answer.

Write one word for each gap.

Hi Emma,

How are you? I wanted to tell you about my new life in the countryside. My family moved here two months **(27)** _____ because my parents wanted a quieter place to live.

Our new house is near a small village, and there are lots **(28)** _____ open spaces around it. I really like the countryside because I can see beautiful fields and wildlife from my bedroom window.

At first, I was worried **(29)** _____ missing my friends in the city. However, I have already made some new friends at school. We often **(30)** _____ cycling after school, and sometimes we walk around the village together.

The village is much quieter **(31)** _____ the city, so it is never noisy at night. When I want to go shopping, I usually have to travel to the nearest town.

I still miss some things about city life, but I think I will stay here **(32)** _____ a long time. It's a great place to relax and enjoy nature.
