READING

Home, sweet home

Ben and Tom are cousins. Ben lives in a flat in the city centre. The flat is small, but it is modern. It has two bedrooms, a bathroom, a kitchen and a living room. Ben shares his bedroom with his brother. There is a big window in the living room, and Ben loves looking at the street from there. He doesn't have a garden, but there is a park near his building.

Tom lives in a house in the countryside. His house is big and old. It has four bedrooms and a large garden. Tom has his own room on the first floor. In his room there is a bed, a desk and a bookcase. His dog sleeps under the desk. Tom's family used to live in a flat in the city, but they moved to the countryside two years ago. Tom likes his new home because it is quiet, but he misses his friends.

At the weekend, Ben stays at Tom's house and they play football in the garden.
