

Oral Presentation (11th November 2026)

THREE OBJECTS, THREE STORIES

Bring **three objects that are important to you** and tell us their stories.

For each object, explain:

- **What is it?**
- **How did you get it?**
- **Why is it important to you?**
- **Is there a special person, memory or story connected to it?**

If an object is too big to bring to class, bring **a photograph**

Your presentation

- Speak for about **4–5 minutes**.
- You may present **in pairs**.
- If you work in pairs, **each student must present their own three objects**.
- You may use **keywords or very brief notes**.
- **Do not read a prepared text.**
- Show your objects or photographs while you speak.
- Try to speak naturally and make eye contact.
- Be ready to answer a short question at the end.

Remember

Your objects do not have to be expensive or unusual.

They just need to **mean something to you**.
