Maria

Hello! My name is Maria and I'm from Spain. I'm a primary school teacher and I work with young children. In my free time, I like reading books and cooking Spanish food for my family. At the weekend, I enjoy meeting my friends. We often visit museums, and sometimes we go to concerts together.

Tom

Hi! I'm Tom and I come from the United States. I'm a doctor. I love basketball and I often play with my friends at the weekend. In the evenings, I usually watch films at home. On Sundays, I often go hiking in the mountains because I like taking photos. I have a younger sister, and she lives with my parents.

Aiko

Good morning! I'm Aiko and I'm from Japan. I don't work because I'm a medical student. I'd like to be a doctor and work in a big hospital one day. I don't go out much because I like spending time alone. I even travel alone, because my friends don't enjoy travelling. I don't have any brothers or sisters. I don't like watching TV, so I always play video games after dinner.

Luis

Hey, how are you? I'm Luis. I'm from Brazil, but I live in Australia. I'm a chef and cooking is my passion. When I'm not at work, I always order takeaway food – I love pizza! Football is my favourite sport, but I don't play it. I watch it on TV at the weekend. I have a big family, but I never see them because they live in Brazil. I miss them very much.
