Text 1 : How to Make Fried Rice

Goal: To make a plate of delicious fried rice for breakfast.

Ingredients:

- 1 plate of cold rice
- 2 cloves of garlic
- 1 egg
- 2 tablespoons of cooking oil
- 2 tablespoons of sweet soy sauce
- A pinch of salt
- Sliced cucumber and tomato

Steps:

1. Chop the garlic finely.
2. Heat the cooking oil in a frying pan.
3. Fry the garlic until it smells good.
4. Crack the egg into the pan and scramble it.
5. Add the cold rice and stir well. Do not use hot, fresh rice because it will be sticky.
6. Pour the sweet soy sauce and add a pinch of salt.
7. Stir until all the rice turns brown.
8. Serve the fried rice on a plate with sliced cucumber and tomato.
