

MORE PREPOSITIONS!

- Read the information about Paul and fill in with prepositions.

Paul Johnson was born 1992 in Bogotá, the capital of Colombia. His birthday is June, 10th. He gets up 6 o'clock every morning and he starts working 8 the morning. He has lunch midday in a small bar near his office. He keeps on working the afternoon and he goes to the gym the evening. During week days, he never goes out night because he needs to rest.

He moved from Colombia to the USA 2015 because he got a job there. He likes his job very much and he usually goes on holiday July when it is Summer.
