Read the text and write TRUE or FALSE.

Manchester is in North West England. It has an industrial past, especially in the cotton industry. Today it is popular with young people and has a university, discos, theaters and an active music scene. It is easy to travel around the city. There is an international airport and a large train station. The canals were used for transportation during the Industrial Revolution, but now they are used by leisure boats. Manchester has two famous soccer teams: Manchester United and Manchester City.

- 25. Manchester is in the south of England. TRUE / FALSE
- 26. Manchester has an industrial history connected with cotton. TRUE / FALSE
- 27. Today, the canals are used by leisure boats. TRUE / FALSE
- 28. Manchester has an international airport. TRUE / FALSE

Write 50–70 words. Say who the people are, their ages, what they look like, their jobs or hobbies. Use adjectives and the possessive 's at least once.

[illegible]

■ PART 10 — SPEAKING

30. Read aloud and record yourself.

My friend studies at a small college in the center of town. The college is next to a park. There is a library, a cafeteria, computer rooms and a science lab. The classrooms are bright and spacious. My friend enjoys studying there because the college is modern and close to home.
