

PART 2 [8 marks]

Questions 1 to 8

Read the text below and correct the underlined errors. For each question, write the correct word in the space provided below.

THE WEEKEND ADVENTURE SEEKER

Afiq is a cheerful fourteen-year-old who enjoys different outdoor (0) activity instead of spending his entire weekend indoors. Every Saturday, he (1) wake up early to search for a new challenge. He packs his bag (2) careful, bringing water, healthy snacks, gloves and a small first-aid kit. Although he loves excitement, Afiq always checks the safety rules before beginning an activity.

Last weekend, Afiq and his cousins (3) goes to a forest adventure park. They crossed a swinging rope bridge before facing a climbing wall that was (4) tall than it looked online. During a cycling trail, Afiq carried only a (5) few water because he underestimated how thirsty he would become. When his cousin lost his balance, Afiq helped (6) he stand up and checked the bicycle for damage.

For Afiq, adventure weekends (7) makes exercise feel like a game rather than a chore. They also teach him to remain calm, solve problems and support his teammates. His next goal is to try kayaking because paddling across a lake looks (8) excited. Afiq believes every adventure gives him a story to share and a new skill to practise.

PART 2 [8 marks]

Questions 1 to 8

Read the text below and correct the underlined errors. For each question, write the correct word in the space provided below.

THE URBAN SPORTS CHALLENGE

Urban sports are physical activities usually practised in city spaces, skate parks and specially designed courses. Popular (0) example include parkour, BMX biking, skateboarding and scootering. Parkour athletes move (1) efficient through obstacles by running, jumping and climbing. BMX riders and scooter users perform tricks on ramps, but they should always wear suitable safety equipment.

Last weekend, Ammar (2) visit a new urban sports park near his neighbourhood. He had watched several videos online, yet the real ramps looked much (3) steep than they appeared on screen. A friendly coach gave (4) he a helmet and showed him how to use a scooter safely. (5) Despite he fell once, Ammar stood up and successfully completed a small jump.

After a short break, Ammar watched several experienced BMX riders perform. Their tricks were truly (6) amazed, but the coach reminded Ammar not to copy difficult moves immediately. Before leaving, Ammar tried parkour on the lowest obstacles and landed (7) safe on both feet. The experience taught him that urban sports require courage, patience and regular (8) practise. He now plans to return after improving his strength and balance.
