c Write about your home. Think about these questions:

- Where is your home?
- Is your home big or small? Is it old or new?
- Is your home in a small town, a city or a village?
- Is your town, city or village interesting or boring?
- What is near your home?

ABOUT

My name is Rafael Reyes and I work in Bilbao in Spain. Bilbao is a big city with 345,000 people. It's rainy here and the city has an interesting history. I'm a receptionist in an office in the centre of Bilbao. My office is in a nice part of the city. It's near a big park.

My home isn't in Bilbao. It's in Lekeitio. Lekeitio is a small town near Bilbao with about 7,000 people. It's a nice town with a park, two supermarkets and a hotel. I'm married to Maria and we have two children.

Our house is in the centre of Lekeitio. It's a small house and it's new. It isn't near the park, but it is near one of the supermarkets. I'm very happy here. I have a lot of friends in Lekeitio and in Bilbao, and my job isn't boring!
