

Choose a topic and write an essay

Opinion

- Some people think that people should work fewer hours and have longer holidays. Do you agree or disagree?

Discussion

- Some people believe that young people should choose jobs they enjoy, while others think they should choose jobs with good salaries and job security. Discuss both views and give your opinion.
- Should parents influence their children's career choices?

Discussion

- It is becoming increasingly common for people to change careers several times during their lives. Why is this happening? Is this a positive or negative trend?

Causes & Solutions

- Automation and artificial intelligence are replacing human workers. What problems does this cause? What solutions can you suggest?
- In the future, many jobs will disappear because of technology. To what extent do you agree?

Advantages / Disadvantages

- More employees are working remotely than ever before. Do the advantages outweigh the disadvantages?

Discussion

- Is a university degree still necessary to get a good job?

Discussion

- More people are choosing to work abroad. What are the advantages and disadvantages?
