Tell Me a Story

Read the story and answer the questions.

Last Saturday, Maya visited her grandmother's house. It was a rainy day, so they stayed indoors. After lunch, Maya asked, "Tell me a story, Grandma!"

Grandmother smiled and began to tell a story about a brave little cat named Milo. Milo lived in a small village near a forest. One night, the village heard a loud noise from the forest. The animals were afraid because a big storm was coming.

Milo was small, but he was very brave. He ran to the forest and warned the animals. He helped them find a safe place in a cave. When the heavy rain and strong wind arrived, all the animals were safe. They were very grateful to Milo.

Grandmother finished the story, and Maya clapped her hands. "That was an amazing story!" she said. "Always be kind and brave, like Milo," Grandmother told her.
