

The questions are based on the following texts on different martial arts. Read the texts and choose the best answer A, B or C. Type your answer (A, B or C).

Karate

Karate is a Japanese martial art that uses striking techniques with hands, feet, elbows, and knees. Karate is an ancient martial art form originating on the Japanese island of Okinawa during the Ryukyu Dynasty, which was established in the 15th century. It became popular across Japan in the 1920s and expanded internationally after World War II.

Taekwondo

Taekwondo is a Korean martial art and combat sport involving punching and kicking techniques. The word Taekwondo can be translated as tae ("strike with foot"), kwon ("strike with hand"), and do ("the art or way"). Taekwondo became a full medal sport at the 2000 Summer Olympics in Sydney, Australia, and has been a sport in the Olympic games since then.

Capoeira

Capoeira is form of martial art from Brazil. It is known for its acrobatic and complex movements, often involving hands on the ground and inverted kicks. It emphasizes flowing movements rather than fixed stances. It is often said to be a martial art disguised as a dance.
