

Part 2

Questions 9 – 16

Read the text below and correct the underlined errors.

For each question, write the correct word in the space provided.

The Importance of Taking Care of Our Eyes

Our eyes are very important because they (0) helped us see the world around us. We (9) using our eyes to read, study, play games, and enjoy beautiful things. Without good eyesight, our daily (10) life can become more difficult. That is why taking care of our eyes (11) are something we should all make a point to do. A crucial way to protect our eyes is to rest them (12) frequent. When we use computers or phones for a long time, our eyes can become tired (13) or dry. It is a good idea to look away from the screen every 20 minutes and look at something far. Eating healthy foods like carrots, eggs, and green vegetables (14) may also help keep our eyes strong. We should also avoid touching our eyes with dirty hands and wear sunglasses (15) in sunny days. Finally, visiting an eye doctor once a year is important to check if our eyes are healthy. When we take care of our eyes, we can enjoy clear and (16) comfort vision every day.
