

Nancy wants to live
a long time.

She wants to live
for one hundred years.

She is five years old now.

She wants to live
95 more years.

Then she will be 100.

Her father is 30 years old.

He wants to live
a long time, too.

He wants to live
for 70 more years.

"Daddy, we will grow old
together, okay?" Nancy said
to her father.

"Yes, honey, we will grow old
together," he said to Nancy.

Then Nancy smiled.

She gave her daddy
a big hug.
