

THINKING OUT LOUD

Ed Sheeran

When your _____ don't work like
they used to before
And I can't sweep you off of your _____
Will your _____ still remember the
taste of my love
Will your _____ still smile from your

Darlin' I will be lovin' you
Till we're seventy
Baby my _____ could still fall as hard
At twenty three

I'm thinkin' bout how
People fall in love in mysterious ways
Maybe just the touch of a _____
Me, I fall in love with you every single day
I just wanna tell you I am

So honey now
Take me into your lovin' _____
Kiss me under the light of a thousand stars
Place your _____ on my beating

I'm thinking out loud
Maybe we found love right where we are

When my _____'s all but gone and my
memory fades
And the crowds don't remember my name
When my _____ don't play the strings
the same way
I know you will still love me the same

Cause honey your soul
Could never grow old
It's evergreen
Baby your _____'s forever in my mind
and memory

I'm thinkin' bout how
People fall in love in mysterious ways
Maybe it's all part of a plan
I'll just keep on making the same mistakes

Hoping that you'll understand

That baby now
Take me into your loving _____
Kiss me under the light of a thousand stars
Place your _____ on my beating

I'm thinking out loud
Maybe we found love right where we are

Baby now
Take me into your loving _____
Kiss me under the light of a thousand stars
Place your _____ on my beating

I'm thinking out loud

Maybe we found love right where we are
Maybe we found love right where we are
And we found love right where we are
