The lifestyle in Bangkok is quite different. I think that living in Bangkok is very exciting. I haven't lived here all my life. My family came here when I was three. But now it is my home. Nearly all my friends live here. It is our capital city, and very big. From morning till night there are crowds of people on the main streets. Some parts of the city are very noisy. I have a long journey to school every day, but I don't mind because it is so interesting. There's always something happening in the streets. There are all kinds of people selling things – fruits, flowers, cooked food, clothes, – everything you could imagine. I really enjoy the excitement of the crowded streets and large modern buildings. I love walking around the streets at the weekend with some other boys from my class.
