Before you record your one-minute voice notes, plan what you will say. For each topic, jot down the key words and phrases you want to use, then note your reasons for the last point (why or why not). Keep your notes short — they are prompts for your voice, not a script to read.

Topic	Key Vocabulary / Phrases	Reasoning (Why / Why Not)
1. Favourite online games		
2. Favourite video-editing apps		
3. Favourite clothing brand		
4. Favourite comic character		
5. An AI tool		

6. A viral food		
7. Mealtime habits		
8. Sugary food		
9. Online payment in daily life		
10. A natural attraction		

Tip for Your Recording

Spend about 10 seconds on each bullet point. If you finish early, add one extra detail — an example or a short story — instead of stopping.
