My sister, Linh, is wearing a sweater and gloves. She doesn't like to get wet, so she never forgets her umbrella.

There are many animals on the farm. There are two cows, five chickens, and a little goat. There aren't any horses, but there is a baby donkey called Bingo. Right now, the ducks are swimming in the pond. The chickens aren't walking outside. They are sleeping in the barn. Linh wants to see the kitten, but it is hiding under the sofa.

After lunch, the rain stops and the sun comes out. Grandpa says, "Let's play hide and seek!" Linh says, "Sure. That sounds like fun!" I love this game, but my sister likes to fly a kite more. I am counting to twenty now, and my sister is hiding behind the big tree. I can see her gloves!
