Numbers: 1-25

Identifying the Errors

Identify the error in the following sentences!

Numbers: 26-30

Reading Comprehension

Read the email below and choose the correct answer based on the information!

Numbers: 31-35

Hey Carlos,

Just got back from Greece, and it was amazing! Spent a few days in Athens checking out all the historical sites. I saw the Parthenon, and wow, it's even more incredible to see in person. I also went sightseeing around Plaka, the cutest neighborhood with narrow streets and little shops everywhere. The food there is unreal. I think I've eaten lots and lots of them! My favorites are the gyros and tzatziki, those are absolutely the best. One night, I found this cozy restaurant, or taverna as the locals call it, and stayed for hours eating and listening to live music. I can't even describe how magical it felt.

After Athens, I headed to Santorini, and it looked like a picture in a postcard. It is full of white buildings, blue domes, and there I've seen the most gorgeous sunsets over the Aegean Sea. I rented a scooter and explored the whole island, stopping at random beaches and just stayed there to feel the vibe. It was so relaxing, I didn't want to leave! Honestly, the whole trip felt like a dream. Can't wait to tell you more about it when we catch up!

Talk to you soon,

Brandon

Reading Comprehension Part 2

Read the following e-mail and choose whether the sentences are *true* or *false*!

Numbers: 36-40

Maria

I am an architect with 20 years of experience of designing and developing spaces. I am a partner in the award-winning STG Architects Ltd., which is famous for its work on the Gilroy Building in London. I enjoy working with people from all over the world and have international experience of working in Italy, Greece, Thailand, Australia and Brazil. I have a Master of Science Degree from Sheffield University and a Bachelor's Degree in Architecture

from Hull University. I also speak Italian and Thai. When I am not working, I spend my time hiking, skiing and diving.

Emily

I am an experienced sales manager with 12 years of experience of developing customer service teams. I am skilled in negotiation, team motivation and building successful sales teams. After ten years of working in sales and customer service at Halo Bank, I am now the sales office manager of a team of 120 at Southern General Plastics Ltd. I have an MBA from Stanford University and a degree in Business Studies from Cornell University. I am creative and hardworking, and enjoy working with others.
