Samuel's Incredible Team (India)

Samuel in a village located in the state of Tamil Nadu in Southern . The village is very rural, and Samuel's family lives in a modest hut palm leaves with no running water or electricity. He thirteen years old but he faces an incredible obstacle every single day. He has a physical and cannot walk, but he is deeply to get an education.

Fortunately, Samuel is not alone. His two brothers, Gabriel and Emmanuel, help him reach his dream. Every morning, they Samuel in a custom-made, rusty through four kilometers of rough terrain. They have to cross paths, sandy roads, and even small rivers.

Samuel's is located roughly 4 kilometers away from his home but the takes more than an hour of intense effort. Sometimes the wheels get stuck in the mud, but the brothers never give up. Their team spirit and determination inspire their entire community. Samuel dreams of becoming a one day so he can children who face difficulties just like him.
