

Green Day - Wake me up when September ends

Summer (has/have) come and passed
The innocent can never last
Wake me up when September ends

Like my father's (come/gone) to pass
(Eight/Seven) years has gone so fast
Wake me up when September ends

Here comes the (thunder/rain) again
Falling from the stars
Drenched in my (pain/rage) again
Becoming who (you/we)are

As my memory rests
But never forgets what I lost
Wake me up when September ends

Summer has come and passed
The innocent can never last
Wake me up when September ends

Ring out the bells again
Like we did when spring began
Wake me up when September ends

Here comes the rain again
Falling from the stars
Drenched in my pain again
Becoming who we are

As (my/her) memory rests
But never forgets (what/that) I (lost/lose)
Wake me up when September ends

Summer has come and passed
The innocent can never last
Wake me up when September ends

Like my father's come to pass
Twenty years has gone so fast
Wake me up when September ends
Wake me up when September ends
Wake me up when September ends

Green Day - Boulevard of Broken Dreams

I (walk/go) a lonely road
The only one (that/which) I have ever known
Don't know where it (goes/takes)
But it's home to (her/me), and I walk alone

I walk this empty street
On the Boulevard of Broken Dreams
Where the (town/city) sleeps
And I'm the only one, and I walk alone

I walk alone, I walk alone
I walk alone, I walk a-

My shadow's the only one that walks (behind/beside) me
My shallow heart's the only (stuff/thing) that's beating
Sometimes, I wish someone out there (will/would) find me
'Til then, I walk alone

Ah-ah, ah-ah, ah-ah, ah-ah
Ah-ah, ah-ah, ah-ah

I'm walking down the line
That divides me somewhere in my mind
On the borderline
Of the edge, and where I walk alone

Read between the (lines/lives)
What's fucked up, and everything's alright
Check my vital signs
To know I'm still alive, and I walk alone

I walk alone, I walk alone
I walk alone, I walk a-

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes, I wish someone out there will find me
'Til then, I walk alone

Ah-ah, ah-ah, ah-ah, ah-ah
Ah-ah, ah-ah, I walk alone, I walk a-

I walk this empty street
On the Boulevard of Broken Dreams
Where the city (sleeps/lives)
And I'm the only one, and I walk a-

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes, I wish someone out there will find me
'Til then, I walk alone

Oasis – Live Forever

Maybe I (don't/didn't) really wanna know
(Who/How) your garden grows
'Cause I just wanna fly
Lately, did you ever feel the pain
In the morning rain
As it soaks you to the bone?

Maybe I just wanna (fly/see)
Wanna live, I don't wanna (die/go)
Maybe I just wanna breathe
Maybe I just don't believe
Maybe you're the same as me
We see things they'll never see
You and I are gonna live forever

I said maybe I don't really wanna know
How your garden grows
'Cause I just wanna fly
Lately, did you ever feel the pain
In the morning rain
As it soaks you to the bone?

Maybe I will never be
All the (time/things) that I wanna (take/be)
Now is not the time to (cry/lie)
Now's the time to find (up/out) (why/when)
I think you're the same as me
We see things they'll never see
You and I are gonna live forever

Maybe I don't really wanna know
How your garden grows
'Cause I just wanna fly
Lately, did you ever feel the pain
In the morning rain
As it soaks you to the bone?

Maybe I just wanna fly
Wanna live, I don't wanna die
Maybe I just wanna breathe
Maybe I just don't believe
Maybe you're the same as me
We see things they'll never see
You and I are gonna live forever

Gonna live forever
Gonna live forever
(You/We)'re gonna live forever

Jake Bugg – Simple as This

(He/I) been in search of stones
Making up the pavement
Of less traveled (roads/streets)
Mining for treasure deep in (her/my) bones
That I never found

Went looking for reverence
Tried to find it in a bottle
Came (down/back) again
High on a hash pipe of good intent
But it only brought (her/me) down

Tried institutions of the mind and soul
It only taught me what I should not know
Oh the answer well
Who would have guessed
Could be something as simple as this,
Something as simple as this?

Traveled to each (oceans/rivers) end
(Look/Saw) all 7 wonders,
Trying to make some sense
Memorized the mantra Confucius said
But it (just/only) let me down

Tried absolution of the mind and (go/soul)
It only led me (when/where) I should not go
Oh and the answer well,
How could I miss
Something as simple as this?
Something as simple as this?

I've been falling crashing breaking
And all the while you were
Stood here waiting
For me girl

Tried liberation of my own free will
But it left me looking to get higher still
Oh and the answer well
(How/Who) would have guessed
Could be something as simple as this?
God (shows/knows) how I could have missed
Something as simple as this
