The Lost Little Kitten

A small adventure can lead to a big friendship.

One day, Mia was walking home from school. On the sidewalk, she saw a little kitten. It looked sad and alone.

Mia picked up the kitten and decided to take it home. She gave it some water and a little food. The kitten was hungry, but soon it felt safer.

Later, Mia saw a poster in the neighbourhood. It was a lost cat! She thought it might be the kitten's family, so she called the number.

Soon, the kitten's owner came. She was very happy and thanked Mia for her kindness. "You are a real hero!" she said.

Mia felt proud. She had done something good, and it made her day special. She knew that even a small act of kindness can make a big difference.

Kindness always finds its way."
