Artur's happy memory

My name's Artur. My family and I have a small house with a garden. I have only one cousin. His name's Otto. He's a really kind person and he likes helping people.

I remember one day when I was five years old. Otto came round to visit but I wasn't happy. I wanted to climb the tree in the garden, but I couldn't. I tried and tried, but the tree was too big. So I was really cross.

Otto smiled when he saw me and said, 'Don't be upset, I know how you can get up into the tree! Do you really want to do it?'

'Yes, I do!' I shouted.

'OK,' said Otto, 'I have a good idea! Can you stand on my shoulders if I hold your legs?'

'Yes, I can!' I shouted.

So Otto helped me to get into the tree and sit on a branch. Then he climbed into the tree with me, and sat on a branch too.

When my parents saw us both in the tree, they laughed and took a photo.

Otto said, 'You will soon grow big and tall like me and you will climb lots of trees!'
