My First Plane Ride

My elder brother and I boarded the plane from Subang Airport. We were going to Langkawi for a short break. The air stewardess checked our tickets and led (0) we to our seats. When it was time to take off, all the doors (1) are closed. Before take-off, we were reminded to fasten our seat belts. I had some difficulty with that but (2) lucky a stewardess came to help me. The plane then (3) take off. Suddenly, I felt like my ears were blocked. My brother explained that (4) they was due to the change in pressure. He advised me to suck on a sweet. I did and felt (5) many better. Soon, the stewardesses and stewards came round to (6) distributing snacks and drinks. I had orange juice (7) so my brother wanted something hot so he ordered tea with milk. After (8) slight more than an hour, the plane touched down. That was my first airplane ride and it was fun! I can't wait to get on a plane again.
