

FIND SOMEONE WHO...

Programmer Habits & General Habits

Instructions:

- 1 Walk around the classroom and talk to your classmates.
- 2 Make a question using the prompt in each row.
(Use: How often do you...?)
- 3 Ask different people and write their name and a complete sentence with their answer.
Use frequency adverbs: always, usually, often, sometimes, rarely or never.
- 4 You need 6 different classmates.

Example:

Prompt: use Git

Your question:
How often do you use Git?

Answer:
I usually use Git.

Complete sentence:
Laura usually uses Git.
