Simon: Oh, that's a shame! But you don't have to get up really _____, like I do!

Amanda: Get up really early? Why's that?

Simon: I take the _____ to school now. It goes at _____ past seven, so Mum _____ us up at a quarter past six. We have breakfast and _____ home at seven.

Amanda: So you've changed schools?

Simon: Yes. The school on our _____ is for six to eleven year olds. Now I'm _____, I go to school on _____ island with my sister Tanya. She's fourteen now.

Amanda: Oh. What about getting home?

Simon: The boat goes two hours after school _____. Mum's sister lives _____ the school so we have _____ there.

Amanda: So that's your school day! It's not like mine – much more _____ – and _____!

Simon: It's what everyone my age on the island does.

Amanda: Some people probably think it's fun, or even exciting, but I don't like boats.

Simon: Well, it's the only way!
